

Matt Bernstein

Staff Product Manager, AI · Intuit

mbernstein07@gmail.com · [LinkedIn](#) · [Download PDF](#)

SUMMARY

Highly motivated product manager with generalist and specialist capabilities who turns ambiguous, high-scale problems into shippable solutions. Leverages an inclusive operating style, incisive use of analytics, and sound judgment to drive cross-functional solutions in complex technical environments. Trusted partner to engineering, UX, and business teams. Above all, a customer advocate.

EXPERIENCE

Sep 2024 – Present

Staff Product Manager, AI · [Intuit](#)

- PM for AI at Mailchimp spanning classic ML and emerging agentic experiences
- Defined the context architecture and evaluation frameworks that govern how Mailchimp agents reason and are measured
